ABOUT US

With an extensive experience of more than 42+ years in this industry, we have emerged as a powerful manufacturer of Mechanical Power Transmissions Products.

Established in the year 1978 we have become a dominant manufacturer & Supplier of a wide range of Mechanical Power Trans. Products.

Under the able guidance of our mentor Mr. J P Shah & Mr. Milan J Shah, we have gained immense success & earned a reputed name in the industry. His business acumen & Experience have helped in creating a niche for ourselves & crossing beyond our limits.

Our Product range includes

- **COUPLINGS** Gear couplings, Tyre couplings, Brake drum couplings, chain couplings, Bellow couplings, Pin bush couplings, Flexible couplings, Jaw(star) couplings, resilient couplings
- **GEARS** All types of GEARS as per drawings - Girth Gears, Pinions, Spur gears, Helical gears in all materials as per your requirements.
- **SPROCKETS** SIMPLEX, DUPLEX, TRIPLEX, Conveyor sprockets, Two stand sprockets & as per drawings
- **CHAINS** Roller chains, Slat chains, Conveyor chains, Elevator chains & other types of chains as per requirements
- **PULLEYS** Rope pulleys (Sheaves), Taper lock pulleys, Timing Pulleys, Cone Pulleys, Drum Pulleys, Conveyor Pulleys, Flywheels as per requirements
- **ALL TYPES OF CASTINGS** Casting in Cast steel, Manganese steel, SG iron, Cast iron, High chrome, Mild steel, in all grades up to 10 ton in form of single piece.
- **PLANT PRODUCTS** CONVEYORS, BEARING CHOKES, IND.SHAFTS, ALL TYPES OF ASSEMBLIES, IDLERS & ROLLERS, BRACKET ASSEMBLY, CRANES, GRATE BARS, PCM MOULDS & OTHERS AS PER REQUIREMENTS

ALL TYPES OF MECHANICAL POWER TRANSMISSIONS PRODUCTS AS PER YOUR REQUIREMENTS / AS PER DRAWINGS / AS PER SAMPLES

Since 1978 with a motto to care our valued customers, we have successfully travelled these 42+ years of journey and have experience of **making engineering parts for industries like** Sinter plants, Steel plants, Cement plants, Fertilizer plants, Crusher manufacturers, Pumps Manufacturers, Crane Manufacturers, Conveyor manufacturers, Rolling mills, Mining Industries, Marine industries, chemical Industries, Rubber industries, Sugar industries, Equipment manufacturers, Machinery manufacturers, Road Construction machinery, Textile, Thermal Power Plant and many more. We have Successfully Accepted Challenging jobs and have improvised ourselves and the system with time.

For Castings in Cast Iron, SG Iron, Cast Steel, & other materials we can supply from 10 kg to 5 ton as single pc capacity.

We are capable of providing all kind of ferrous, Non-Ferrous, Graded Castings, CI & SG Castings, With capacity of maximum 5000 kg per piece. We are also manufacturing of aluminum gravity casting as well as aluminum die Casting.

Above mentioned is what we have achieved, but we assure you our best efforts for future also to achieve more ahead.

Therefore, willing your co-operation for our future journey.
